Below is a look at our current engineering staff:

### Mark Carbonaro

Mark graduated from Binghamton University with a bachelor's degree in mechanical engineering in May of 2015. He has since been with DelRen, primarily servicing Delaware, Philadelphia, and southern New Jersey.

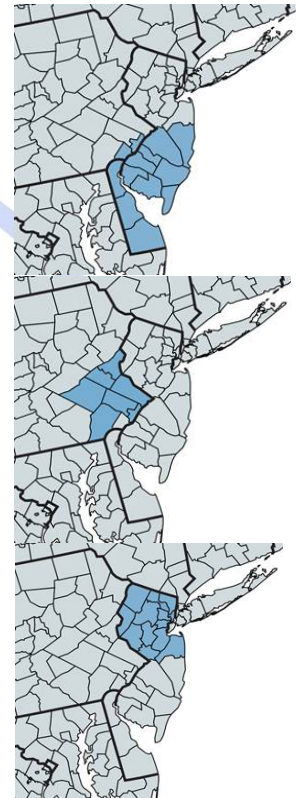

### Prodromos Topalidis

Prodromos graduated from Temple University with a bachelor's degree in mechanical engineering in May of 2016. He has been with DelRen since the summer of 2017, primarily servicing Philadelphia and eastern Pennsylvania.

### Sid Chatterjee

Sid graduated from Rutgers University with a bachelor's degree in mechanical engineering in May of 2018. He joined DelRen in October of 2018 and will be primarily servicing northern New Jersey.

### Daniel Brendlinger

Dan graduated from Rowan University with a bachelor's degree in mechanical engineering in May of 2018. He joined DelRen in July of 2018 and primarily assists Mark, Prodromos, Sid, and sales personnel.

### Michael Garcia

Mike has been with DelRen since June of 2011, assisting past and present DelRen engineers with facilitating the requests of the tristate engineering community.

### Steve Solotist

Steve has been a fixture in the Greater Philadelphia HVAC industry for 30+ years. Serving as a past president of ASHRAE's Philadelphia chapter, he specializes in air distribution and air device system design. Currently, Steve internally assists and advises the engineers of DelRen.
